## Welcome Back

Welcome back to the 2017-2018 school year! We look forward to a great year filled with academic and personal growth. Before the year gets underway the staff at PVM would like to inform you of some changes this school year.

PE uniforms will be required for ALL 6th grade students; and recommended but not required for grades 7th and 8th. Uniforms will be available for \$15 at the 6th grade open house on August 3rd and during fee day on August 7th. "String Bags" will also be available for \$5. These "String Bags" will only be used for carrying gym clothes to and from gym; otherwise, they will remain in the student's locker. BE ADVISED: String Bags will only be allowed at PVMS for gym clothing and must be kept in lockers at ALL other times. Regular book bags will ONLY be allowed coming to school and leaving school. Once at school, regular bookbags will remain in student lockers.

Parents are welcome to have lunch with their child during their scheduled lunch. If you would like to bring your student lunch, please plan to stay and enjoy it with them. Outside lunches will not be delivered to students throughout the day.

Water bottles are only allowed in the cafeteria for lunch and must remain in the student's locker at all other times. Please see the administration if you have a concern that needs to be brought to our attention about your child.

HOMEROOM starts at 7:50! Please have your student here by that time!!!
